

East Penn stops Polar Bears

by John Middelkoff

In another "Could a Should a, Would a" contest Northern came up short 33-21 against the East Pennsboro Panthers Friday night (10/12).

This again was a story of two halves. In the first half Northern didn't do much right, and ended up on the low side of a 27-6 game. In the second half, the Bears played pretty well, well enough to pull close until things caught up with them, and then they lost with their fifth straight loss.

It didn't take the Panthers very long to put points on the board in the first quarter. Sophomore Cory Gumbly started things off by returning the opening kickoff some thirty-five yards to midfield. Following an E.P. first down, young Mr. Gumbly took off on a 34-yard run to the one, and scored on the next play. Following the kickoff, the Panthers were given another opportunity when Northern fumbled on the ball on their first play. Eight plays later, Mr. Gumbly had scored again, this time from eight yards out. Mr. Frost added a two-point conversion, and took that East Penn had a 14-0 lead.

In the second quarter, Northern showed a lack of what they were made of, as they capped off a drive that began in the first quarter when Phil Getty hit Ryan Silver with a 13 yard TD strike. But E.P. would make the untill the second half. The Panthers had scored again, this time from eight yards out. Mr. Frost added a two-point conversion, and took that East Penn had a 14-0 lead.

Paula Kintman makes a move on a Trinity runner during last week's meet at Northern.

New hunting regulations for Pinchot Park

The Department of Environmental Resources today announced new hunting regulations for Pinchot State Park, York County, which has the use of rifles in the park during small game and deer season and the additional steps to protect the safety of hunters and visitors.

Residential development around the park has increased the need to control the number of animals within the park and provide stringent safety measures for nearby residents. DER Deputy Secretary James R. Once said, "Reducing the firing range of weapons will enhance the safety of both hunters and residents."

Once said the changes were adopted after residents attending a public meeting held by DER last year asked for tighter security measures during park hunts. "We found that many of park areas open to hunting have become overgrown with shrubbery and trees, limiting the visibility of hunters and making long-range weapons, such as rifles, unnecessary," Porter said. "Portion of the park will be open for archery season on September 29."

BRIGHT SMILES NOW AND FOREVER

With the proper care and instruction, your children will enjoy a lifetime of healthy smiles.

We specialize in instructing children at home, and stress the importance of oral hygiene and preventive care.

Northern and Trinity both went into last Thursday's Cross Country meet undefeated. Now only Trinity can make that claim. Both the Northern's boys and girls were defeated.

Jennifer Munsch had most of the way to finish 1st, however, Trinity had more top finishers and won the meet.

PeeWee game close

by David Dwyer

On Sunday, October 14, St. Margaret's Spartans were in a game to play Northern Polar Bears. The Spartans won the game 14-0. The score does not indicate how close the game really was. Northern defense was strong all day. We made two mistakes that cost us at 12 points. Offensively, the Polar Bears couldn't get into rhythm. The Panthers did crowd out the Bears. Peewee played an outstanding game against an undefeated team, game against an undefeated team, game against an undefeated team.

Offensively, the Peewees couldn't put anything away. Ryan Silver had 53 yards, Brock Brock, back in the game. Peewee offense had 231 yards and Jason Glass for 10 yards for a total of 33 yards. "We need to have more yardage," said Coach George Davis, and offensive coach George Davis, and offensive coach George Davis.

Next up for Northern will be a meeting at home against the Lower Merion Falcons. This one will be very interesting! As this is a home game, the Falcons have yet to taste victory this year. It is hard to imagine a Trinity Captain team to be having so much trouble. When you have a contest between two struggling teams, anything can happen and usually does. The Bears have a lot going for them. They have a lot to their credit, and they have played a couple of tough games. The stars are Milen Hershey and East Penn. But these facts together with playing at home, and you have the distinct possibility of Northern notching a win in its Mid-Penn Division II.

Northern Girls Volleyball

This year is the second year of the girls' volleyball program at the high school, but already the girls have shown dramatic improvement in basic fundamental skills. The females have quickly grown from novice players with very little knowledge about the sport into team players with drive and determination.

Although unable to obtain a victory so far this season in the record book, the young variety squad has tasted some success by winning a few of their games and providing the opposing teams with tough competition. To win a match, however, they must be able to win two out of three games in one night, the one thing that seems to be right at their fingertips but unobtainable as yet. Hindered by injuries and constant team rearrangements, the girls have managed to survive and provide the opponents with challenging and interesting matches. As they gain experience and confidence working together as a team, they should be able to be victorious in the record book as well.

Leading the variety team are setters Sarah Francis and Amy Smith, both juniors, as well as attackers Jenny Bechler, senior, and Amy Erick, junior. Both are Jenny Culp, sophomore, and Jenny Culp, sophomore, and Jenny Culp, sophomore, and Jenny Culp, sophomore.

The junior variety squad has managed to pull out two wins so far this season, which is quite an accomplishment for such a young squad. For many members of the

At Commonwealth Telephone, we offer many services worth talking about.

Services like Call Forwarding, which transfers calls automatically to any local or long distance number. Call Waiting, which lets you know if someone is trying to reach you when you're already on the line.

Three-Way Calling, so you can talk to people at different numbers at the same time.

And Speed Calling, for dialing frequently used numbers at the touch of a button. We do it all for one simple reason: To make calling easier and more convenient for you.

Commonwealth Telephone Company.

We're the talk of the town.
